

BENTON JUNIOR COLLEGE

UNIFORM AND DRESS CODE POLICY

Rationale

The Benton Junior College (BJC) College Council requires all children to wear the Benton school uniform during school hours, while travelling to and from school and when they are engaged in school activities out of school hours.

Aims

We are proud of our school uniform which is readily identified within our broader community, and when children are on excursion away from our school. Wearing a school uniform can:

- help your child feel they belong in their school by promoting a sense of identity;
- provide students an equity of status in terms of clothing, avoiding comparison and competition;
- assist school staff to easily identifying students while on school excursions;
- give children a sense of pride in their school;
- help children develop an awareness of the need for sun protection; and
- maintain and enhance the positive image of the school in the community.

Implementation

The BJC College Council is responsible for Policy and Policy revisions.

- parents, teachers and students are responsible for ensuring that the appropriate uniform is worn, clean and well maintained;
- items from the approved uniform list (refer to Appendix) can be purchased from the supplier; Primary School Wear School (PSW). Order forms are available on the PSW website;
- the Student Dress Code, including details of uniform items and places of purchase, will be published on the school's website;
- the wearing of the designated school uniform (Refer to Appendix) is compulsory for all students at BJC;
- the designated uniform supports the Physical Education Policy and Sun-Smart Policy;
- students will wear their school/sports uniform in order to be able to represent the school in sports teams, music groups, school choirs, school photographs, excursions, etc unless authorised by school personnel;
- the College Council requires that the Principal be responsible for the implementation of the Uniform Policy and dress requirements in a manner consistent with the Student Code of Conduct;
- Year 6 students have the opportunity to purchase a distinctive polo shirt to reflect their status as the senior students of the school;
- arrangements can be made by parents consulting with a member of the Principal Team to supply items of school uniform through State Schools Relief fund or other agencies for families experiencing significant hardship;
- parents seeking exemptions to the uniform and Dress Code due to religious belief, ethnic or cultural background, student disability, health condition or significant hardship must apply in writing to the College Council for consideration;
- school uniform is available from Primary School Wear. Refer to details listed below;
- parents and guardians are required to provide a signed and dated explanatory note to their child's teacher when their child is out of uniform. If this is not provided an Out Of School Uniform Notice will be sent home by the child's teacher requesting the parent's support; and
- the College Council or Principal may grant alternate clothes days.

Primary School Wear: Supplier of our college uniform

Our College Council has arranged to provide good quality clothing for children at the best rates available. There is a large choice of uniform items available. The College Council has authorised Primary School Wear (PSW) as the supplier of the correct school uniform for BJC. Please refer to the PSW website for all school uniform clothing.

Primary School Wear Uniform shop, located at 21 Playne St, Frankston is open Tuesday to Friday 8:30 am to 5:00pm, and Saturdays 9.00am to 4.00pm. Phone 03 9769 6510, www.psw.com.au/retail/shops/

Second Hand Uniform

The College offers a second-hand uniform shop for selected pieces of school uniform. Parents are encouraged to contact our college office to identify opening times.

Compliance with Uniform Policy and school dress code

A copy of the college's Uniform Policy and Dress Code will be provided for all new enrolments and parents and guardians will be required to sign an acceptance form acknowledging their support and compliance with the college's uniform and dress requirements for students.

Together, we encourage all children and their families to support our college uniform. When a student is unable to wear the correct college uniform we ask that parents provide a written note to the child's teacher. In cases of persistent breaches of the uniform and dress code, college staff will:

- speak privately to the student to encourage him/her to observe the college dress code.
- provide advice to parents and an Out of Uniform note will be sent home seeking parent and guardian cooperation and adherence to student dress requirements.
- parents may then, if necessary be contacted by college staff to remedy the situation.
